**SENATOR**  
BUILT TO LAST

Our mission is to provide top-quality designer and vintage radiators to our trade customers at unbeatable prices. We understand that our customers rely on us to help them succeed in their businesses, which is why we are dedicated to providing exceptional customer service and lightning-fast delivery times.

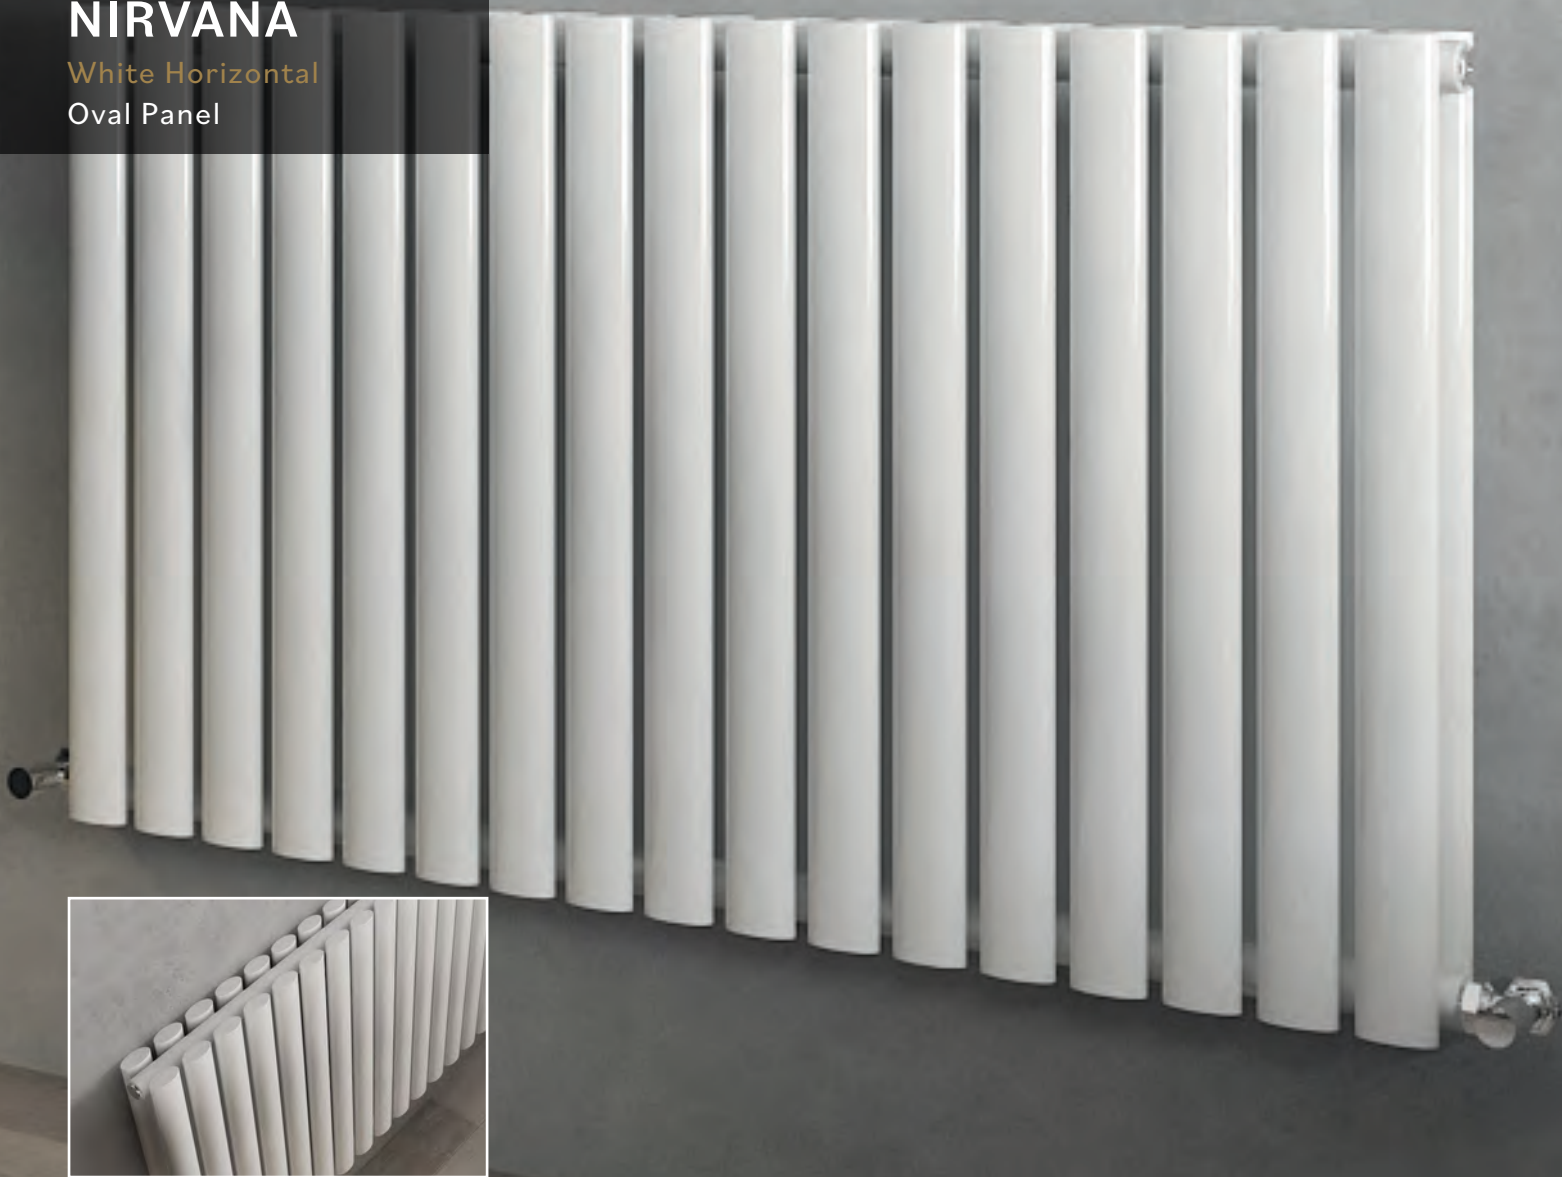

We take great pride in the quality of our radiators, which are made from premium materials and built to last. That's why we offer a 20-year guarantee, giving our customers peace of mind.

Whether you're a plumber, heating engineer or a builder, we're here to help your business thrive. With our extensive range of radiators, unbeatable prices, and exceptional customer service, you can trust Senator Radiators to be your go-to supplier for all your radiator needs.
